Re: "Laidlaw City Dump", Cincinnati, Hamilton County, Ohio

Dear Ms. Griffin:

This confirms our telephone conversation of November 14, 1995. I requested a copy of the report prepared by PRC Environmental Management, contractors to the Environmental Protection Agency, regarding the above-mentioned landfill. This property is owned by Procter & Gamble. As we understand it, PRC Environmental Management was retained by EPA Region V to perform site assessments under your supervision under Contract No. 68-W8-0084. PRC Environmental Management visited the Laidlaw landfill on May 10, 1995, and it is our understanding that a report was to be prepared by PRC for Region V within six months of the site visit.

You indicated that you would submit a request for a copy to the EPA Records Center and send it to me promptly. Thank you for your assistance.

Very truly yours,

Ann K. Bailey
Senior Counsel
